

# Natural Sins Ltda.

## PROFILE

Year established: 2011

Location: San José, Costa Rica

# of employees: 14

Annual % exports: 30%

Main markets: United-States, Dominican Republic, Puerto Rico.

## ABOUT US:

Natural Sins Ltda. is a privately owned company dedicated to the dehydration of fresh fruits and vegetables. We offer both Private Labels and our own brand.

## VALUE PROPOSITION:

Natural Sins is the only company capable of preserving the full shape, color, smell and taste of the fresh fruit or vegetable, resulting in a full sensory experience. To do so, we head off the beaten path to find the freshest fruits and vegetables, then we slice them **impossibly thin** and bake them low and slow to **crispy perfection**.

## OUR OFFER AND CERTIFICATIONS

Our dried fruits and vegetables come in two forms: **chips and powders**. We can offer many flavors, such as apple, banana, coconut, dragon fruit, mango, papaya, pineapple, strawberry, pear, beet, carrot, cassava, potato, squash and zucchini among others.

Our chips and powders are available with the following certifications: Orthodox Union **Kosher**, **Non-GMO**, **Vegan**, **Gluten Free** and **Paleo Friendly**.

Also, our factory is certified **BRC Global Standard for Food Safety**, guaranteeing the integrity, legality and quality of Natural Sins' manufacturing process.
