EVERY BITE

Learn about the main **characteristics of our food industry offer**

COFFEE AND TEA

One of the best coffees in the world and an incredible variety of tea leave Costa Rica towards international destinations. Besides the undisputed high quality which sets them apart, the sustainable manufacturing processes and the talent of local producers provide them with an exotic flavor difficult to equal.

CHARACTERISTICS

Costa Rica commercializes sustainable coffee.

The tea production offers a variety of exotic flavors like cheesecake and apple strudel.

Costa Rican coffee is 100% Arabica, and the offer includes a variety from eight different growing regions. The tea category divides into fruit and herb teas, specialty and exotic flavors, and cold infusions.
