

JUICES AND CONCENTRATES

The tropical flavor of Costa Rica is well known around the world, not only for our fruits but also for the products derived from them, including juices and concentrates. 100% natural and manufactured under the highest quality and food safety standards.

CHARACTERISTICS

These products are perfect for smoothies, juices, nectars, ice cream, and cocktails, for example.

These products have a shelf life of between 12 and 36 months and can be stored between 0 to -18 degrees celsius, depending on the type of fruit.

A total of 25 companies exported a wide variety of juices and concentrates to various international destinations.

In some cases, they are also packaged up as consumer products, such as compotes, beverages, or healthy desserts.
